

Day-2

'UK country session: UK Partnership for Accelerating India's Offshore Wind Deployments'

Date : 24 October 2024
Venue : Conference Hall A, Chennai Trade Centre, Chennai, India.
Schedule : 11:00 – 12:30 hrs

Objective

The UK will organise a country panel session on 'UK Partnership for Accelerating India's Offshore Wind Deployments' at Windergy 2024 to showcase the length and breadth of UK's engagement in India's offshore wind. The session will provide a platform for UK companies to present their expertise and explore potential partnership to advance Indian offshore wind Sector.
